### **Grimm & Co**

An email was sent to schools just before the Summer break regarding the Grimm & Co project in 2024/25, alongside the attached document.

Please can schools taking part respond with the information requested, if not done so already, by **10 September**. This includes:

1. Confirming availability for **all** dates
2. Confirming choices where appropriate.
3. Inform us of any dates which are not suitable, keeping in mind the schedule is very tight and has a lot of moving parts. Dates will be unable to be changed close to the time of the installation.

As part of the funded project, all the Year 2 participating Y4 teachers are invited to a training event at Grimm and Co on **27th September 9am - 3pm delivered by Odd Arts 'Anti Racism and Compassionate Communication'**. The Year 1 Schools found this training to be very helpful. Please email SSELP to book a place, confirming name, school, role and email address.

### **Giddy Goat – Music in the Round**

We are now able to share the final details for the 'Music in the Round - Giddy Goat' exciting opportunity.

The project comprises 4 elements and the dates and details for each have been included in the attached document. As you can appreciate it has been quite a task to organise, so we appreciate your help in accommodating the schedule.

The 4 elements are:

1. Training session on 11th October 3.45pm at Wybourn Primary
2. Online planning meeting for each school with the Workshop Lead, Caroline Hallam (schedule attached)
3. In school workshop for pupils attending the concert in each school (schedule attached)

#### 4. Concert at the Crucible (schedule attached)

##### **Asthma Training**

Before the Summer, Asthma Champions completed CPD Training which was due to be delivered to staff in schools when they returned from the summer break.

Unfortunately, we've been made aware that there have been some issues in registering new staff to complete the training. This issue has been flagged with Sheffield Children's Hospital and is being looked into. Once the website has been updated, staff will be made aware, so they are able to register for the training as planned.

We apologise for any inconvenience this may have caused. The Training provider did not make us aware this was going to be the case and has only come to light when staff tried to register on the first day back.

##### **Assessment Meeting**

The Assessment Network due to take place on 12 September has been postponed due to information being shared at the SSELP Heads meeting. We will be in touch with further information soon.

##### **FS1 Network Meeting**

The FS1 Network takes place at Pipworth on Tuesday 10 September, 3.45pm – 4.45pm.

##### **SSELP Calendar 2024/25**

The SSELP Calendar for 2024/25 is now uploaded to the SSELP Google Drive and can be accessed [here](#).

This is a live document, meaning changes to dates etc. will only be visible if accessed through the Google Drive link above.

Please check the calendar before scheduling any events as we try and avoid clashes wherever possible.
