SALT Update

Charlotte Gardiner has produced an excellent evaluation of the SSELP Communication Friendly Environment Programme 2022/23 (attached). She has also emailed a bespoke report to individual schools.

A range of resources have been uploaded to the shared SALT folder in Google Drive over the Summer.

Resources for 3 parent workshops have been developed in the following areas. These are stored in SALT > Parent Workshops

1. Working together to support your child's speech and language
2. Sharing stories with your child
3. LEAP

They are planned to be used as a programme of parent workshops to support engagement and collaboration between schools and parents to understand and support SLCN. Consider how you will use these resources across your base (e.g. 3 workshops in Autumn term, 1 workshop per term over the year).

If you have any questions about these resources or how to put them in place, please contact your named facilitator for the consolidation year, or consider bringing your questions and experience to the first communication champions network meeting on 5 October at Acres Hill 2.30pm - 4.30pm. Here you will have an opportunity to further discuss collaboration with parents.

Further documents/resources have also been uploaded to the following folders.

SALT > Facilitators > Visits & Mentoring
SALT > Facilitators > Email CPD Programme
SALT > Facilitators > CCNM
SALT > Facilitators > Facilitators meetings

Y4 Book Gifting – ‘The House with the Chicken Legs’

The books for the Y4s will be arriving in schools shortly. Please ensure these are passed to Y4 teachers when they arrive.

Positive Regard – Presentations

Luke Mitchell from Positive Regard has sent through a link to the slides shared at the Annual SSELP Conference before the Summer. These can be found [here](#).

Together Newspaper

Please could you send articles and photos to sselp@wybourncommunity.sheffield.sch.uk for the next edition of the Together newspaper. We are hoping to publish an edition in September and it would be lovely to have every school represented.

Google Drive

Any useful documents for SSELP staff are added to the SSELP [Google Drive](#). This has been in place for a number of years, with all Headteachers in SSELP currently having access. If staff would like access to the Google Drive, please either ask your Headteacher to provide access or email sselp@wybourncommunity.sheffield.sch.uk.

When documents are added to the Google Drive, these are included in the bulletin so staff are aware of exactly what has been uploaded and when.

The link to the Google Drive will be shared weekly via the bulletin moving forward.
